

Haley J. Loheit

Associate

Haley is a Sacramento native and first-generation attorney who comes from a family of firefighters. Inspired by their commitment to serving others, she always felt drawn to carrying on the legacy in her own way. It was her freshman year of college when she discovered the law was the avenue through which she would advocate for others.

Haley comes to the team with a foundation in criminal law, but her strong attention to detail, creative problem-solving skills, and eagerness to learn have made her a valuable advocate for clients navigating the legal world.

Outside of the office, Haley enjoys spending quality time with her yellow lab, Daisy May, as well as close friends and family. She has also rediscovered her love for reading and has developed a newfound appreciation for building puzzles.
