

Michael Della Maggiore

Associate

Prior to law school, Mike cut his teeth in the healthcare field as an Emergency Medical Technician (EMT) on ambulances and in various healthcare facilities. Mike's firsthand experience providing emergency medical services to the community grants him a unique perspective in the world of healthcare law. This allows Mike to relate to his clients' experiences and advocate for those who dedicate their lives to healing others.

Away from work, Mike enjoys being the only Tennessee Titans fan you know, watching binge-worthy tv shows, and relaxing with his loved ones.
